Winter is coming, it's time to transform your island into a Christmas town in Animal Crossing New Horizons. If you have not gotten a good design idea, then follow us to take a tour to the 5-Star Island which is completely decorated for Xmas holiday. In addition to using festive-style items (such as Festive Trees, festive wreaths, Three-tiered Snowpersons, Illuminated Snowflakes, Illuminated Reindeer, Illuminated Tree, Illuminated Present) to decorate various areas of the island, the biggest highlight is that the designer perfectly used custom patterns on the path and ground to fill the island with a strong festive atmosphere. Custom patterns can always bring you the most creative personalized design, you can find more [ACNH Christmas Custom Designs](#) for Path, Ground and Clothing here.
