This is a Halloween-style island with autumn natural scenery. The creator uses a series of Halloween-related items to decorate, such as a large pumpkin cart. If you also want to use these [ACNH items](#) to design your island, you can buy them at the lowest price on AKRPG.COM. There are many beautiful waterfalls and bridges on this natural style island. Players have also built many leisure areas such as seaside sketching areas, small courtyards, and fountain parks.
