In this video, your best [Animal Crossing Items Store](#) - AKRPG shows you an amazing laboratory with the characteristics of oriental interior retro decoration that can also be said to be a handicraft background workshop. The design uses dark gray wall tiles wallpaper, and the floor is matched with a cement-like floor. Place experimental items and toolboxes on a retro stone table, coupled with a simple sink and chair, and an underground studio with retro aesthetics was created. If you want it to be more personalized, hang decorations similar to Gears, Spider Web, Fishing-boat Flag, Power Helmets, Power Suits, and other decorations on the wall. If you need any of these items or cheap [Animal Crossing Bells](#) and [ACNH NMT](#), don't forget to check out our offer!
