Part Item:

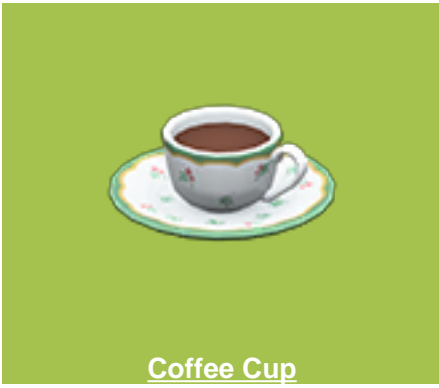

Fancy Violin

Synthesizer

Ukulele

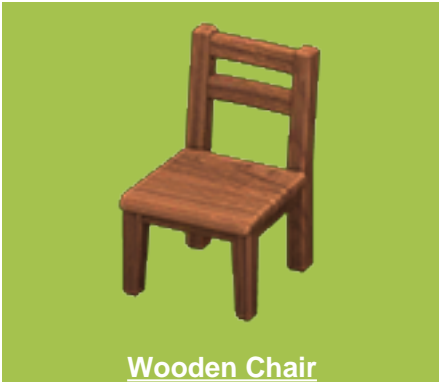

Coffee Cup

Floor Seat

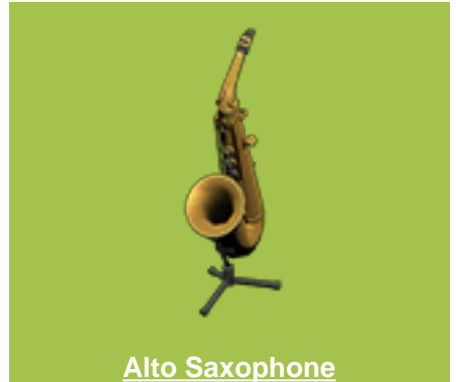

Upright Vacuum

Wooden Chair

Writing Desk

Alto Saxophone

Here is the cool design idea you can use to design your own island in Animal Crossing New Horizons! The study room decorated with guitar, piano, the wood chair, cabinet that you can buy with ACNH bells. If you do not have lots of items or bells to purchase expensive items in the game, you can try to create a simple Animal Crossing New Horizons house design without wallpaper and flooring, just put some furniture, which makes your home looks modern and comfortable.
