This is a cute mermaid room full of romance. The entire room uses a full set of mermaid items. To collect all the [ACNH items](#) in the Mermaid set, players will need to keep collecting Scallops and trading them to Pascal until they've collected them all. Also, you can easily buy the full [Animal Crossing theme packs](#) on AKRPG.COM. If you love cute and romantic design, then the Mermaid Room is definitely worth having. As long as you have all these items, you can use a simple layout to show the room in the video.
