This is a magnificent art room where the creator cleverly placed his own collections of various styles, such as Robust Statue, Aquarius Urn, Aries Rocking Chair, Cancer Table, Golden Gears, Gemini Closet, Golden Casket, and more beautiful [Animal Crossing items](#). The use of a Wedding-Party Wall and cut furniture makes the whole room delicate and elegant. This is a very creative and personalized design, which proves that the perfect collection room is not limited to dark tones. The combination of white and pink makes the whole room bright and vibrant.
