Want to create a multifunctional underground recreational game room for your villagers on your ACNH island? This unparalleled bar design in Animal Crossing New Horizons can definitely bring you a different inspiration. The creator uses a variety of entertainment facilities (such as billiards, game machines, Brake Tapper, Foosball Table, Jukebox, Go, and even musical instruments) to create different game areas. The wallpaper with the perspective effect of the

outdoor landscape brightens the entire game room. It is not difficult to own this game. Collect this series of furniture or [buy Animal Crossing Items](#) directly from AKRPG.COM, and you can start your [ACNH room design!](#)
