If you don't have the experience to design ACNH interior room, this video Animal Crossing New Horizons game room with Arcade for Spring may give you some inspiration!

When walking in the door, we'll see the Blue Floral Flooring, whole room is surrounded by wooden furniture. Some critters' models hang on the wall to make the space mysterious. In the corner, place a Wooden-block Bookshelf and Wooden End Table side by side with the double sofa. In the center, add a Foosball Table, along with the Arcade Mahjong Game which is what this ACNH game room about. Put an Anthurium Plant on the Basic Teacher's Desk so as to cater to the theme of spring in ACNH. All the [ACNH items](#) added are shown on the right of the screen. Hope the best ACNH game room & playroom design ideas can help you create the dream Spring interiors game room in Animal Crossing New Horizons!
