This amazing elegant Chinese Imperial Antique Themed Bedroom design in Animal Crossing New Horizons. When talking about Chinese style, you will surely think of red tones and imperial designs full of oriental classical beauty. This particular arrangement uses the Imperial Furniture Set - available from Nook Shopping for buying with different amounts of [Animal Crossing New Horizons bells](#). In this Chinese theme room, the creator boldly uses a black tone. Although this bedroom mirrors the sophistication of the Chinese style design by using plenty of black imperial bed, antique furniture and black tone wooden items, the use of Blue Delicate-blooms Wall, white-black Mama Panda and plants gives off a warm and calm impression, make the whole dark tone retro design a more soothing vibe.
