Throwback Race-car Bed

Wooden-block Table

Wooden-block Chair

The focus of the first Animal Crossing design is definitely the Throwback Race-car Bed, which is an [ACNH item](#) from the Sanrio set. The race cars come in different colors are put in different locations, with the addition of Retro Gas Pump, Plastic Canister, Tree-lined Wall, Parking Flooring, and more items, it tends to be a parking lot located near the forest. You can also regard it as a creative bedroom design for kids or an auto shop. This video also contains more cute room designs such as the block toy room and single apartment.
