You can create an indoor version of your captain's quarters in Animal Crossing: New Horizons

because living on a houseboat is not an option in this installment of the series. Make use of Gullivarr's pirate-themed items, such as the Pirate Wall, to liven up the place. It has large windows that give the impression that your ship is sailing away at sea, with a bright blue sky shining above you in the distance. Pirate-treasure robe, pirate flooring, Pirate-ship cannon, and more ACNH items.

The next is an aesthetic bathroom using all white items, Toilet, Whirlpool Bath, Bathroom Sink.
