The cozy living room is a trend in Animal Crossing New Horizons room designs, it matches the natural and free theme of the game, especially when you choose the wooden or log [ACNH furniture set](#), such as Log Chair, Wild Log Bench, Log Bed, Wooden Chest, Wooden Full-length Mirror, Log Bench and Wooden Wardrobe. People prefer the light or white wooden color, which is good-looking and easy-to-fit. This ACNH living room design also uses various candle items including Glass Holder With Candle, Wedding Candle Set, and Wall-mounted Candle, as well as the Fireplace, which makes it a warm Winter house. The addition of a Book, Lacy Rug, TV, plants, and many other decorations make it more homely.
