Underwater Wall

Blue Dotted Rug

Cute Diy Table

Tankless Toilet

Kerokereroppi tray

Jukebox

This basement was designed as a breathtaking Underwater theme studio and Trophy Room. Unlike a regular basement or workshop, the creator uses a dynamic and colorful Underwater Wallpaper, and there is no limitation on the color of the [ACNH furniture](#), such as Blue Dotted Rug, White Cute Diy Table, Pink Tankless Toilet, Kerokereroppi tray, Jukebox. However, the whole space is not messy and unreasonable, but full of comfort and vitality.
