ACNH cozy green and fresh style room. This room is decorated in green, giving it a very fresh, energetic atmosphere, which is perfect in today's times of economic stress and the need for individuals to relax. This room is multifunctional, can be used as a study room, is also a small bedroom, but also in the bath here, how pleasant small room! The room's green rattan chair seat, green rattan chair bed, green table, makeup mirror, etc. all add a different scenery to the room, and some small ornaments can see that the owner is really very tasteful!
