To create a spooky Halloween-themed Animal Crossing New Horizons bedroom design 2023, you can incorporate skeletons and pumpkins into the decoration. In the center of the room, create a spooky display with a life-sized skeleton. To add a touch of pumpkin decor, place various sizes of carved pumpkins around the room, some lit from the inside to cast eerie shadows on the walls. Halloween-themed [ACNH items](#) are over the place in this spooky room design. Consider having a pumpkin patch in one corner, featuring different types and sizes of pumpkins as if they were growing there. These best ACNH spooky Halloween-themed bedroom design ideas will surely create a spine-chilling atmosphere for your in-game character to rest in!
